

Organizational Ecosystem

Conversation-boosting Cheat Sheet

What this diagram IS:

- Invitation to think of your own organizational challenges
- Catalyst to start a casual discussion with a friend
- List of commonly known organizational elements
- Example (one of many) of how elements may interact
- Invitation to re-draw lines, boxes, labels and boundaries

What this diagram IS NOT:

- Definitive list of all known organizational elements
- Conclusive summary of how org. elements interact
- Universal model to fit all org. cultures/locations and sizes
- Prescriptive framework for organizational ecosystem
